Monday 12- Friday 16 August
Book Fair

Monday 26 August - Friday 6 Sept
Calendar photos being taken

Monday 9 September
Kindergarten photos
Friday 27 September
Last Day of Term 3

Housekeeping

Winter is here

Please help us out by:

- Providing plenty of warm clothes in your child's bag.
- Bringing a jacket.
- Gumboots are a good idea too.
- Naming your child's bag in an obvious way.
- Bringing a bag for wet clothes - we no longer have any plastic bags at Kindy.

Sausage and Mash

SAUSAGE AND MASH will be available on **Mondays** and **Thursdays** until the end of this term.

The Cost is \$4.00. You will find a slip next to the sign in sheets, fill this in on the morning, attach your money to it and pop it in the star box.

Welcome to Rosebank Kindergarten

We are excited to welcome Trev, Liam, Claire, Zayde, Owen, Charlotte and their whānau.

Kindergarten Expectations

- **Washing** is placed by the door - please take a turn with this and put in the kitchen when dried and folded.
- We have a number of **fundraisers** throughout the year which are essential for us to remain financially secure and continue to offer an affordable childcare option for you. This is also to fund resources to provide a fun and stimulating environment for your children. Please be an active part of this.
- We have a **parent help roster** where parents are able to talk with a teacher about their children's learning and where to next. We also ask if you can please complete a job if it needs doing to keep our environment tidy.
- At the end of every term we ask parents to help with the **cleaning and tidying** of the Kindergarten. A job list is put out by the sign in sheets. Please volunteer for a job and complete it by the given date.

Lunchbox Ideas

We have a healthy food and drink policy at Kindy. Please keep packaged foods to a minimum as we are all aware of the high fat/sugar and additive content in these.

Some healthy snack ideas:

- Raw vegetable pieces (carrot, broccoli, cauliflower, cucumber)
- Cheese
- Boiled Egg
- Fruit portions
- Nuts
- Plain popcorn
- Lean meat or chicken
- Homemade quiches, scones
- Rice crackers, cruskits, rice cakes.

Reminder no chips, lollies, or fruit strings/real fruit lollies as

Session Times

Please remember our session times are: 8.45am - 2.45pm.

This is a Ministry of Education requirement.

Fundraising Update

Pies

Thanks to everyone who sold pies, and to those that helped organise the orders. We raised over \$500. We noticed that the profit margin from this has been reducing and so we made the decision to do a quick sale of honey...

Honey

Thanks very much to Alison Botting who offered us the chance to sell her lovely honey. So far we have raised over \$500. We still have honey available so let us know if you would like some or maybe some more once you have tasted how yummy it is... \$8 for 500g, \$15 for 1kg.

Calendars

This term we will begin the process of making our world famous calendars. We produce a 13 month calendar sponsored by local businesses and featuring your beautiful tamariki! Great for those Christmas presents! Children are taken in small groups out to businesses for these photos so we will require parent help with this. This fundraiser helps keep our Kindergarten well resourced. Please keep an eye out for information as it comes out.

Book Fair

We will have the Scholastic Book Fair set up at Kindy from 12-16 August. These books are available for purchase by families and Kindergarten receives a portion of sales to spend.

Kindergarten Photos

Richard Schofield will be taking our Kindergarten photos again this term. It will be on Monday 9 September. Richard will take the full Kindergarten photo at 9.15am. If it's not your day you are welcome to bring your child along for the photo - please be here at 9am so we can get organised. Richard will then take all individual photos and will send out a proof along with a centre photo and order form. He is also willing to take sibling or family photos immediately after the Kindergarten photo.

Term Planning Term 3 2019 - AKO

Practise in the classroom and beyond, building strong reciprocal relationships for effective learning, effective pedagogy that supports effective curriculum.

Rationale: (Why are we doing it?)

Over Term 2 2019 children are growing their abilities to include others. In Term 3 2019 we would like our learners to experience an environment where they are challenged to 'step up' to develop new skills, knowledge and attitudes. This will encourage children in their thinking, relating to others, participation with children, teachers and the environment, and to manage themselves.

Goal: (What to be want to achieve for children?)

Teachers will support children to step up, push through, try a different way and challenge themselves to grow their learning.

Indicators: (How will we know we have been successful?)

- Children will understand what it means to step up, push through, try a different way and to challenge themselves.
- Children will demonstrate this in a variety of ways in their learning.
