Fundraising Update

A Date with Dinosaurs

Thanks to everyone who supported this day. Those that attended the day sessions experienced a range of fun and informative activities centred around dinosaurs and fossils. The evening talk, while not huge in numbers, was really interesting and feedback from those that went was that it was a worthwhile evening. We thank Daniel Thomas our visiting palaeontologist for his time, effort and enthusiasm, and Holly, Blair and Lucy Steel for sharing their brother/uncle with us.

Swim Bags

Orders for these quality, versatile waterproof bags are due on Thursday 24 May. Great for wet clothes here at Kindy as well as for swim bags, boot bags for sports, or meat bags at the grocery shop. Order forms are in your pockets.

Jemma's last day is Thursday 31 May. We will let you know when we will be having a farewell for her so you can all come along to join us.

We can also announce that Julia will be the new
