### Fundraising Update

Thanks for your support of our recent Book Fair. We were able to purchase \$200 worth of books and then \$406 from their learning resources.

Thanks to those that sold or purchased Pasta D'Oro. This is due to arrive on Thursday 14 and we still need helpers to sort orders when it arrives. We estimate we raised \$400 with this fundraiser.

Calendar photos have now all been taken. Thanks to those that volunteered with parent help. We are now putting the calendar together and will have this ready for selling in Term 4. We will be putting out an order form next to the sign-in sheets to get numbers for printing.

Please remember  
our  
session time is:  
8.45am—2.45pm.

This is a Ministry of  
Education  
requirement as per  
the terms of our  
Licence so please  
respect these times.  
Thank you.

# **Bottle Auction**

## **Friday 3 November**

### **7.30pm**

We are holding a Bottle Auction to support funding our Kindergarten. There will be mystery bottles that are auctioned with raffles running in between. We are wanting to raise funds for new equipment that supports learners to problem solve. This is fantastic NZ made equipment that really engages learners and promotes children to think deeply. Funds raised will also be used to redevelop the walkway in.

#### **Expectations for Families:**

- Families will need to sell tickets - 4 per child at a cost of \$5 each.
- Families will be asked to supply a bottle to be auctioned on the night, e.g. wine, olive oil, gourmet sauces, body products...
- We are also looking for donations for raffles. This could be a home made cake, plant or anything you can think of.
- We are asking parents to approach businesses that they support to ask them to support us. This could be a donation of a bottle or something that could be used as a prize, e.g. wine, olive oil, or vouchers that can be taped to a bottle.
- We will have a list of businesses out by the sign-in sheets for you to put your name beside and there are also blank spaces at the bottom if you wish to approach a business that is not on the list. Think outside the Balclutha/South Otago area - you could approach tourism/attractions further afield. The kindergarten will have a letter for businesses explaining the process and why we are fundraising.
- We will need helpers on the night to sell raffle tickets and give out prizes.

The success of this night really depends on everyone doing their bit, and turning up for a great night out. Remember that big spenders are crucial - like the baby boomers such as grandparents and family friends!!!!
