New Arrivals!!!

We are so excited to share the exciting news of some new arrivals to our Kindergarten .. **BABY CHICKS!!** Our top 10 group have got to see the rewards of their hard fundraising efforts to purchase a chicken coop! We were kindly donated some fertilized eggs & after 3 LONG weeks some new wee chicks have started to hatch! This has been a fantastic learning opportunity for our children with lots of shared knowledge, research, questioning and also patience and perseverance!

A Huge THANK YOU to Paper 4 Trees

For making that little extra effort and recycling our paper and cardboard throughout 2017. Our Kindergarten was awarded with 11 native trees for us to beautify our outdoor learning environment. It is always rewarding for efforts being acknowledged and our current as well as future children & families will benefit from these beautiful plants!
